Please complete this Expression of Interest Form. It can be returned by email to loans@blanchardstowncu.ie or by post to:

9 Blanchardstown Business Centre, Clonsilla Road, Dublin 15.

Once you have submitted an Expression of Interest Form, a representative from REIL will call you to arrange an Energy Audit on your house. This audit call will let you know if your house is eligible to participate in the scheme, which energy saving works would be of benefit to you and give you an initial outline of potential cost of the energy improvement works.

On this call, suitable time for a representative from REIL to call to your home to complete a full Energy Audit will be set up. There is no fee to complete the Energy Audit.

The REIL Energy Audit Report will provide you with a list of recommended energy saving house improvements and the cost of each. A BER (Building Energy Rating) Cert will be issued to you before works commence by REIL.

The 35 % grant will be deducted from the cost of the energy works from the cost of the works. You will only need to borrow for 65% of the cost of the works. You will then be contacted by Blanchardstown & District Credit Union to process your loan application.

All loan applications are subject to normal lending criteria.

When your loan is approved, we will inform REIL that the works can commence and once the credit agreement is signed, the funds will be paid into your account for you to pay REIL directly for Energy Retrofit works completed on your home.

A BER (Building Energy Rating) Cert will be issued to you after works are completed by REIL.

As per the requirements of Data Protection Acts, 1988 & 2003 we hereby notify you that your personal details, specifically related to this scheme, will be shared with REIL (Retrofit Energy Ireland Limited) and SEAI (Sustainable Energy Authority of Ireland). SEAI may share personal data with third parties where necessary to assist in administering and delivering the scheme. You have the right to access personal data held about you by Blanchardstown & District Credit Union, REIL and SEAI and to correct any inaccuracies in such data.

I confirm that I have read and agree with the conditions of the scheme. I certify that the information given in the Expression of Interest Application Form is to the best of my knowledge true and accurate.
