

Minor Membership –UNDER 16'S LIST OF DOCUMENTS REQUIRED TO JOIN

A Minor account is for any member under 16 years of age. An account may be opened for a child by a parent or by a legal guardian or close family member (e.g. grandparent).

A mandate will be put in place indicating who is authorised to withdraw from the account. Once the member turns 16, the account is deemed to be an adult account and all mandates are null and void.

How to Open a Minor Account

Two forms of original identification for the parent/guardian:

Name and Date of Birth Verification Documents

Current Valid Passport or Travel Document
Current Valid Driving Licence
EU National Identity Card

Address Verification Documents Last 3 Months

Original Recent Household Bill
Statement from a Credit Institution
Correspondence from a State Agency, Public Body or Local Authority

****Please note that if you wish to go for a joint account with the child instead of a single account in the child's name only, we also require proof of PPSN for the parent/legal guardian****
