Important Information

- A child (under 16 years old) can open an account with the Credit Union if they live in our common bond (Dublin 15 Area) or their parent is a current active member of the credit union.
- Money in a child's account is the **sole property** of the child and no other person (including the parent/guardian or person who originally opened the account) is entitled to use this money for his/her benefit.
- If the child is under 7 years old, then the parent/guardian (if they opened the account) can withdraw, the money must be used for the child benefit. If the child is between 7 and 15 years old, they are the only ones that can sign for a withdrawal and BUT they must be accompanied by the guardian on the account. And they sign also for the withdrawal.
- On attaining the age of 16 the minor has sole control of his/her account. The account becomes a normal adult account. The guardian should be deleted. The 16yr old should complete a nomination form re death insurance. Identification should be updated at this time.
- Anyone can lodge money into the child's; they must fill in their name on the lodgement docket. If it is someone other than the child, a parent/guardian. A receipt with no balance is printed.
- No loans will be issued on a minor account.
- Under the Criminal Justice (Money Laundering and Terrorist Financing) Act 2010 & 2013, we are required to confirm the following information when a child wants to open an account.
 - ✓ Name of Child – Passport/Birth Certificate
 - ✓ Proof of Permanent Irish Address of the child: e.g. Recent Parent's utility bill, bank statement;
 - ✓ The PPSN of the Child (Letter from Social Welfare/Medical Card).

A guardian is added to the account for security & best practice. The Child's guardian will require proof of ID e.g. Valid Passport or Driving Licence and recent proof of address.
